

OFFICE APPOINTMENT CANCELATION/RESCHEDULE POLICY

An appointment at our practice is a confirmation. If you need to reschedule your appointment or cancel your appointment 48 hour notice is required to avoid a cancel/reschedule fee of \$75.00 per scheduled hour of appointment.

Please note: If your appointment is scheduled on a Monday, you must notify us of cancelation or reschedule by the preceding Thursday, before 12:00 noon.

Thank you for your cooperation. Your compliance helps us to keep our fees reasonable and enable us to give the best service to everyone.
